Extra-Curricular Activities

Students wishing to attend extra - curricular activities must follow the school behaviour code. Following the instructions of all staff and respecting the school's rules and community is a must to have the privilege of attending.

All students will be assessed via a 'Safety and Risk Management Plan' before being allowed to attend. Excursion notes are given to students who have been assessed as 'low' or 'no risk.'

If the school is required to pay 3rd party operators in advance for this excursion please understand that a full refund may not be possible if the student is unable to attend.
